- (2) To identify to GMX any Conflict of Interest the Contractor or its agents, employees, or Subcontractors may have. In emergency situations, however, Work may begin but notification of Conflicts of Interest shall be made in writing to the Executive Director within five (5) Business Days.

The Contractor agrees that if a Conflict of Interest is identified during performance, the Contractor will immediately make a full disclosure in writing to the Executive Director. The Parties to this Contract agree that the Contractor will be restricted in its future contracting in the manner described below.

- (1) The Contractor may be ineligible to participate in any GMX solicitations and ensuing GMX contracts, either as a prime Contractor or Subcontractor or Subconsultant.
- (2) The Contractor, during the life of this Contract, shall be ineligible to enter into any contract with individuals or firms to perform work on projects related to the Work performed under this Contract unless otherwise authorized in writing by the Executive Director.
- (3) The Contractor agrees in advance that if any bids/proposals are submitted for any work that would require written approval of GMX prior to entering into another contract subject to the restrictions of this section, then the bids/proposals are submitted at the Contractor's own risk. Therefore, no claim shall be made against GMX to recover bid/proposal costs as a direct cost whether the request for authorization to enter into the other contract is denied or approved.

A review process available to the Contractor when an adverse determination is received shall consist of a request for reconsideration to the Executive Director.

Either a request for review or a request for reconsideration must be submitted within thirty (30) Calendar Days after receipt of the initial adverse determination.

The Contractor agrees to insert in each Subcontractor contract hereunder, provisions which shall conform substantially to the language of the subsection entitled Conflicts of Interest, including this paragraph. The Contractor may request in writing that the Executive Director exempt from this Conflicts of Interest subsection a particular Subcontractor contract for certain technical or contractor work. GMX will review and evaluate each request on a case-by-case basis before approving or disapproving the request.

The Contractor agrees to insert in each Subcontractor contract hereunder the requirement that any Subcontractor who performs Work as a Subcontractor pursuant to this Contract and wishes to submit a proposal or bid, either as a prime Contractor or as a Subcontractor on any GMX procurement, shall request in writing a determination from GMX that they may participate in the specific GMX procurement prior to the proposal or bid submittal date. Such written request shall include justification as to why there is no Conflict of Interest in this situation. Failure to do so may result in the Subcontractor's proposal being deemed non-responsive.

In compliance with Section 348.0003, Florida Statutes, as may be amended, in addition to all other requirements of the Contract Documents related to avoidance and disclosures of Conflict of Interest, the Contractor is also required to annually submit to the Ethics Officer the **Annual Disclosure Form**, incorporated herein by reference and found in the GMX website, and provide the following information:

The **Annual Disclosure Form** must be submitted by the Contractor on the Effective Date of the Contract and updated every year on the same date.

Failure by the Contractor to timely submit the **Annual Disclosure Form** is a default under the Contract and GMX, at its sole discretion, may enforce all applicable provisions under the Contract, including and up to termination of the Contract.

In this event, the time for the performance of the obligations under this Contract will be extended for a period commensurate with the delay but the Contractor will receive no additional compensation.

12. CONTRACT PERFORMANCE EVALUATION

The Contractor's performance will be evaluated using the Contract Performance Evaluation Procedures attached hereto.
