21. STANDARDS OF CONDUCT AND CONFLICT OF INTEREST

21.1 Standards of Conduct

This section shall apply to the Contractor, its Subcontractors and any other agent or employee engaged by the Contractor.

The Contractor agrees to incorporate the provisions of this section and the section of the Solicitation Documents entitled “*Conflicts of Interest*” in any subcontract into which it might enter with reference to the Services performed for this Agreement and as it relates to the Services performed for the Project. GMX at its sole discretion may conduct an audit of the Contractor’s compliance of its obligations under this section.

The Contractor covenants and agrees that it and its employees shall be bound by the standards of conduct provided in applicable Florida Statutes as they relate to the Services performed under this Agreement, which standards shall by reference be made a part of this Agreement as though set forth in full.

In making such determination, GMX shall have sole and absolute discretion to determine the role of the Contractor and the nature of its representation of GMX. Should the Contractor fail, after five (5) Business Days' notice, to resolve a conflict as determined by GMX, GMX shall have the right to terminate this Agreement.

In the event that such determination shall cause GMX to incur any increased costs due to its inability to retain the Contractor for a particular matter, the Contractor shall promptly pay such costs upon being invoiced therefore by GMX. Absent manifest error, the determination of GMX of such increased costs shall be final and binding on the Contractor.

As used in this section, the term "increased costs" shall mean:

- (1) Administrative costs incurred by GMX including but not limited to legal fees, associated with the retention of another contractor to perform the services that would have been performed by the Contractor absent such conflict of interest, and
- (2) The difference between the amount paid by GMX to such replacement contractor to perform such services and the amount that would have been paid by GMX to the Contractor to perform such services. GMX and the Contractor shall use their best efforts to mitigate the conflict and any increase in costs.

In the event of a dispute between the Parties, the Parties agree to mediation prior to any litigation to resolve said dispute.

GMX is governed in its contracts and transactions by provisions of Florida law relating to conflicts of interest, prohibited transactions, and ethics in government. All parties to contracts with GMX relating to the Services shall familiarize themselves with the Chapter 112, and Chapter 348, Florida Statutes, the *Procurement Policy*, the *Code of Ethics* and with general Florida law regulating GMX's ethical requirements, prohibitions and limitations with respect to procurement and contracts.

The Contractor also agrees that it shall not publish, copyright, or patent any of the data furnished in compliance with this Agreement, it being understood that under the provisions of this Agreement such data or information is the property of GMX.

GMX shall have the right to unilaterally cancel this Agreement for refusal by the Contractor to allow public access to all documents, papers, letters or other materials, subject to provisions of Chapter 119, Florida Statutes, made or received by the Contractor in conjunction with this Agreement.

The Contractor warrants that, to the best of the Contractor's knowledge and belief, there are no relevant facts or circumstances which could give rise to a potential or actual conflict of interest, including, but not limited to, an Organizational Conflict of Interest, as defined herein, or a Personal Conflict of Interest, as defined herein, (hereinafter collectively referred to as "Conflict of Interest", "Conflicts of Interest" or "COI"), or that the Contractor has disclosed in writing to GMX all such relevant information relating to the Contractor, its employees, its agents or any of its Subcontractors.

The term *Organizational Conflict of Interest* as used herein means:

- (a) Because of other activities or relationships with other persons or contractors, the Contractor, its employees, agents or Subcontractors or their respective employees, is/are unable or potentially unable to render impartial assistance or advice to GMX;

- (c) The Contractor, its employees, agents, Subcontractors/Subconsultants or their respective employees, has/have an unfair competitive advantage.

21.2.1 Notification of Conflict of Interest

The term *Personal Conflict of Interest* as used herein means a relationship of an employee, Subcontractor, or the employees of a Subcontractor with an entity that will or may impair the objectivity of the employee, Subcontractor/Subconsultant employee, or Subcontractor in performing the Services.

Prior to commencement of any Services, or immediately after becoming aware of a Conflict of Interest, whichever is sooner, the Contractor agrees to notify the Executive Director either:

- (1) That, to the best of its knowledge and belief, no Conflict of Interest exists, or
- (2) To identify to GMX any Conflict of Interest the Contractor or its agents, employees, or Subcontractors may have. In emergency situations, however, Services may begin, but notification of Conflicts of Interest shall be made in writing to the Executive Director within five (5) Business Days.

The Contractor agrees that if a Conflict of Interest is identified during performance, the Contractor will immediately make a full disclosure in writing to the Executive Director. This disclosure shall include a description of actions, which the Contractor has taken or proposes to take, after consultation with GMX, to avoid, mitigate, or neutralize the Conflict of Interest. The Contractor shall discontinue any relevant performance until notified by the Executive Director of any contrary action to be taken.

GMX may, at its sole discretion, withhold payments due or which may become due, suspend the Services, terminate this Agreement for convenience, in whole or in part, if it deems such termination necessary to avoid a Conflict of Interest, or pursue such other remedies as may be permitted by law or this Agreement.

If the Contractor was aware of a Conflict of Interest prior to award or discovered a Conflict of Interest after award and did not disclose it, or misrepresented relevant information to GMX, or GMX becomes aware of a Conflict of Interest that was not disclosed by the Contractor, GMX may at its sole discretion, withhold payments due or which may become due, suspend the Services, terminate the Agreement in whole or in part for default, or pursue such other remedies as may be permitted by law or this Agreement.

21.2.2 Conflict of Interest Plan

The Contractor shall prepare and submit a Conflict of Interest (COI) Plan within twenty (20) Business Days after the execution of this Agreement or any other time requested by GMX, which outlines the procedures in place to avoid, neutralize or mitigate Conflicts of Interest, whether actual or potential, personal or organizational, throughout the period of performance of the Agreement. The Contractor's COI Plan is a document which describes the procedures the Contractor uses to identify and report COI's. Generally, a corporate COI plan will describe how a company, in its entirety, addresses conflicts, and will not be contract or program specific.

The plan may also describe the options a company will consider proposing to avoid, neutralize, or mitigate a COI whenever a Conflict of Interest is identified. The plan shall be evaluated and approved by GMX. The plan shall address step by step the checks and balances in place to detect any potential or actual Conflicts of Interest that could result from activities covered in the Scope of Services.

The Contractor's obligations with regard to providing notice of Conflict of Interest situations shall apply until the expiration date of this Agreement.

21.2.3 Restriction on Future Contracts

The Parties to this Agreement agree that the Contractor will be restricted in its future contracting in the manner described below:

(3) The Contractor agrees in advance that if any bids/proposals are submitted for any services that would require written approval of GMX prior to entering into another agreement subject to the restrictions of this section, then the bids/proposals are submitted at the Contractor's own risk. Therefore, no claim shall be made against GMX to recover bid/proposal costs as a direct cost whether the request for authorization to enter into the other agreement is denied or approved.

21.2.4 Conflict of Interest Adverse Determination

A review process available to the Contractor when an adverse determination is received shall consist of a request for reconsideration to the Executive Director. An adverse determination resulting from a request for reconsideration by the Executive Director will not preclude the Contractor from requesting a review. Either a request for review or a request for reconsideration must be submitted to the appropriate level within thirty (30) Calendar Days after receipt of the initial adverse determination.

21.2.5 Subcontractor Contracts

The Contractor agrees to insert in each Subcontractor agreement hereunder, provisions which shall conform substantially to the language of the subsection entitled *Conflicts of Interest*, including this paragraph.

The Contractor may request in writing that the Executive Director exempt from this Conflict of Interest subsection a particular Subcontractor/Subconsultant agreement for certain technical or contractor services. GMX will review and evaluate each request on a case-by-case basis before approving or disapproving the request.

The Contractor agrees to insert in each Subcontractor agreement hereunder the requirement that any Subcontractor who performs Services as a Subcontractor pursuant to this Agreement and wishes to submit a proposal or bid, either as a prime contractor or as a Subcontractor/ Subconsultant on any GMX procurement, shall request in writing a determination from GMX that they may participate in the specific GMX procurement prior to the proposal or bid submittal date.

Such written request shall include justification as to why there is no Conflict of Interest in this situation. Failure to do so may result in the Subcontractor's proposal being deemed non-responsive.

21.2.6 Annual Disclosure Form

In compliance with Section 348.0003, Florida Statutes, as may be amended, in addition to all other requirements of the Contract Documents related to avoidance and disclosures of Conflict of Interest, the Contractor is also required to annually submit to the Ethics Officer the Annual Disclosure Form, incorporated herein by reference and found on the GMX website, and provide the following information:

- (2) Whether a relative of the Contractor is registered to lobby the Executive Branch of the State of Florida or the Florida Constitution Review Committee and, if so, the names of such lobbyist's clients must be provided in writing to the Ethics Officer.
- (3) Any and all interests in real property held by the Contractor or the immediate family member of the Contractor, if such real property is located in or within a ½ mile radius of any actual or prospective GMX project. Prior to the execution of the Agreement, the Contractor has been provided a corridor map and property ownership list reflecting the ownership of all real property within the disclosure area, or an alignment map with a list of associated owners.

This provision shall not be limited in any manner by the existence of any Contractor claims or pending litigation relating to the Agreement.

The Contractor shall preserve all Contract Records and Proposal Records for the entire term of the Agreement. In order for GMX to release the Contract Bond as detailed in the section of the **General Specifications for Construction** entitled, *Warranty Bond*, the Contractor shall deliver to the GMX records custodian an electronic copy of all Proposal Records and Contract Records along with a certification that all such records have been submitted. The term "contested claim" or "claims" shall mean the initial written claim(s) submitted to GMX by the Contractor (disputed by GMX) which have not otherwise been resolved through ordinary close-out procedures of a Task Authorization/Work Order and/or this Agreement prior to the initiation of litigation.

GMX shall decide all questions, difficulties, and disputes of any nature whatsoever that may arise under or by reason of this Agreement, the prosecution and fulfillment of the Services hereunder, the character, quality, amount and value thereof; and its determination upon all claims, questions and disputes shall be final and conclusive upon the Parties hereto.

Adjustment of compensation and Agreement time because of any major changes in the Services that may become necessary or desirable as the Services progress shall be left to the absolute discretion of GMX and any such adjustments shall be evidenced by Supplemental Agreements between the Parties in accordance herewith.

In the event that the Contractor and GMX are not able to reach an agreement as to the amount of compensation to be paid to the Contractor for supplemental Services desired by GMX, the Contractor will be obligated to proceed with the supplemental Services in a timely manner for the amount determined by GMX to be reasonable. In such event, the Contractor will have the right to file a claim with GMX for such additional amounts as the Contractor deems reasonable; however, in no event will the filing of the claim or the resolution or litigation thereof through the courts relieve the Contractor from the obligation to timely perform the supplemental Services.
